Re: NXIVM Corp. v. Sutton, No. 2:06-cv-01051 (KSH/CLW)

Dear Judge Hayden:

We represent crossclaimant Interfor, Inc. ("Interfor") in the above action. On August 26, 2019, the Court entered judgment in favor of Interfor in the amount of \$1,369,157.51 against crossclaim defendant NXIVM Corporation on Interfor's crossclaim for contractual indemnification, and directed Interfor to file a supplemental submission setting forth its attorneys' fees and costs incurred after May 31, 2017 and its calculation of prejudgment interest (D.E. 842). On September 23, 2019, Interfor made that submission (D.E. 854), in which it informed the Court that Interfor's damages would total \$2,721,767.69 as of October 16, 2019 and that prejudgment interest would thereafter accrue at \$417.07 per day (*id.* ¶ 8).

I write to advise the Court that Interfor's damages will total \$2,778,072.14 as of February 28, 2020, and to respectfully ask that the Court enter an amended judgment at its earliest convenience.

Respectfully,
